Jubilee 2022

“

Hi friends,

I hope you're enjoying the Platinum Jubilee celebrations?

To celebrate the Platinum Jubilee, I've created a fun activity pack for you to enjoy - see attached.

I'd love to see all your great colourful pieces of art. Please send your pictures to our Facebook or Instagram

Make your own BUNTING

1. Print off the bunting template (as many as you need).
2. Colour the shapes using the colour key (red and blue).
3. Using scissors, carefully cut around the template.
4. Create 2 holes with a hole punch along the top edge of the template.
5. Slide the flags onto a length of string or ribbon (hint: once you have threaded a flag on, tie a knot behind each hole to keep the flag in place).

Now hang your bunting for all to see!
